

10 DOWNING STREET
LONDON SW1A 2AA

THE PRIME MINISTER

I am very pleased to provide a message in support of the 2018 WinTrade Global Convention and the WinTrade Awards Dinner.

In this centenary year which marks the 100th anniversary of the Suffragettes, it gives me great pleasure to support women forging new paths in business. I am confident that the expertise of WinTrade in international business networking will continue to inspire women in trade across the globe to achieve their full potential and contribute to tolerant and inclusive societies.

I would also like to take this opportunity to welcome you all to the UK. This will be the second year WinTrade Week is held in London, with women from all over the world coming together in this great city to do business, network and attend the WinTrade Global Convention and Awards Dinner.

Please accept my warmest congratulations to all finalists and award winners, and my best wishes for a successful and enjoyable convention and dinner.
